BUILD TRANSFORMATIVE ENTERPRISE APPLICATIONS AND ACHIEVE GREATER AUTOMATION USING APPIAN & UIPATH

CHALLENGE:
Many organizations are stuck with a portfolio of legacy technologies and complex business processes that slow them down.

SOLUTION:
UiPath and Appian have partnered to enable rapid digital transformation for such organizations.

1. TRANSFORM YOUR BUSINESS OPERATIONS AND CUSTOMER EXPERIENCE WITHOUT INVASIVE INTEGRATION PROJECTS.

UnionBank is one of the largest banks in the Philippines. Using Appian and UiPath, they deployed 400+ processes and accelerated process times by 300%. Their mortgage loan origination and approval time reduced from 2 weeks to 5 minutes. The bank achieved 97% digitization from 5% digitization within 2 years.
